OUR PARTNERS

About Projects for Happiness

An initiative by My Starfish Foundation (formerly known as Khind Starfish Foundation) since 2014, this project is for all undergraduates in Malaysia to design grassroots programs, anywhere in Malaysia, which promotes happiness and addresses the root causes of poverty and poor education.

Project Categories

We encourage applicants to employ innovative techniques and creativity to engage participants in ways that focus on:

- 1. Arts & Culture**
- 2. Animal Welfare**
- 3. Environmental Protection**
- 4. Helping the Underprivileged**
- 5. Racial Harmony**
- 6. Quality Education**

Values

We want to encourage nationwide **sustainable** community initiatives by finding creative ways to help uplift the lives of those who are socio-economically challenged. We believe that we all, everyone, in their own way should give back to society.

Who Can Apply

Undergraduates in any Malaysian university are eligible to apply. We welcome both group and individual submissions.

Grant

Each selected submission will be awarded a grant, up to a maximum of **RM10,000**.

Application Timeline

10 February – 30 April

Application Process

- ① Submit your registration here <https://linktr.ee/mystarfishfoundation>
Submit a proposal according to guidelines inside email after your registration.
- ② Upload infographics to Instagram that describe your project.
- ③ Tag @mystarfishfoundation #projectsforhappiness2022

Special Criteria of Project for Happiness in the year 2022

In view of the COVID-19 pandemic, Projects for Happiness has pivoted our direction that all the participant's projects for submission are required to organise event according to SOP and the possibilities of hybrid event (offline/virtual) based on your project needs.
